

BIG NEWS ABOUT THE GARDEN STATE ROCKETS FALL FIESTA CAR SHOW THIS SEPTEMBER 24TH

We started the Garden State Rockets Olds Club in late 2020 to be different from every other club. I wanted our club and shows to be special, to do things and have awards that were different than everyone else's along with great raffle prizes and a 50/50 for our charity and stand out above the rest. We had the 1st ALL Oldsmobile show in over 20 years here in NJ with 75 raffle prizes to choose from for our charity Oceans of Love for Kids with Cancer, raised \$1,745 for them and hope to exceed all that this year. We also wanted awards that were usable items and not just shelf space takers and dust collectors. Our 1st show September 2021 was just that! It was a big party atmosphere with music from Big Al of JerseyShoreCarShows.com and everyone that attended loved it and it showed that we thought outside the box as we gave out our awards. 1st, 2nd and specialty awards were large green engraved tumblers with lids. Perfect to put your cold or hot beverage into and take it with you to other shows and everyone loved them!

This year is no different and we wanted something even better than last year. The Garden State Rockets have gotten some incredibly awesome sponsors that have helped us do JUST that and without their help last year and this year's show would not have been possible.

We want to give extreme thanks to:

Action Hyundai of Millville NJ

NJ Outboards of Bayville NJ

MTE Accessories of Toms River NJ
Richmondtown Service Center of Staten Island NY
AACE Transmission of Beachwood NJ
Next Level Mac Tools of Toms River NJ
Dave Shaw Allied Wealth Partners of Manasquan NJ
Arkady's Auto Body of Toms River NJ
Barnegat Bay Auto Care of Waretown NJ
Hagerty Insurance

Please support them whenever you can because without them none of this would be possible!

Our awards this year will be 40oz black powder coated stainless steel water bottles engraved with our logo, Fall Fiesta 2022, award sponsor and 1st place. Another usable item you can take anywhere and show off what you've won from the Garden State Rockets.

2nd place will be a little smaller 32oz water bottles with the same engraving and 2nd place.

Last year for our showfield winners we gave plaques. I didn't feel that went along with the theme so this year we found nice 15oz black powder coated, stainless steel coffee mugs with handles which also have the engraving on them.

Lastly, our 8 specialty awards will also be the coffee mugs.

PLUS, if you pre-register for the show you will receive a FREE show tee shirt in your goodie bag.

Now for the BIG NEWS! Remember I mentioned our incredibly awesome sponsors?? This year we've been blessed with a high end restaurant named Chef Mike's ABG (Atlantic Bar and Grill) in Seaside Park NJ coming on board adding something special to each of our eight 2nd place winners, eight 1st place winners, and our Best of Show winner. Chef Mikes is not your everyday place to eat and was just awarded "Best

Restaurant” in Ocean County NJ. My wife Michelle and I have dined there on special occasions and the food is always AMAZING!

This year included with your 2nd place award you will also receive a \$50 gift card to Chef Mikes AGB restaurant, with your 1st place award you will receive a \$100 gift card and our best of show winner will receive a \$200 gift card to Chef Mike's ABG restaurant! Remember me talking about the raffle prizes? Chef Mike has also donated three \$100 gift cards for our charity raffle! In addition, the Garden State Rockets will be donating 8 E-memberships to the Oldsmobile Club of America (for non current OCA members only). We've also secured Fusick Automotive, Rock Auto and other gift cards as well as items from Wawa, Auto Zone, Pep Boys and Advanced Auto to name a few, with much more to come for our charity raffle prizes.

Another great feature this year will be our 66-72 W-Display! We are currently assembling one W machine from each year starting with Lenny Datello's 66 W30 Brainbeau Olds race car. A 67 W30, still trying to get the 68 W30 but will have a 69 W30 hardtop AND convertible along with Jeff and Brenda Kane's 69 W31 convertible King Olds Smothers Brothers race car! Also included, a 70 W30 AND W31, a 71 W30 and still seeking a 72 X code W30. Once this lineup is in place it will be a sight to see and not to be duplicated at any other Oldsmobile show!

These awards, raffle prizes and awesome collection of each and every one of your Oldsmobiles, along with our parking lot party atmosphere will make this the **BEST ALL OLDSMOBILE** car show you can attend this year! Don't miss out on this great show!

Lastly for those of you from out of town who were wondering, there will be ample truck and trailer parking along side and behind the shopping center and if you need lodging, The Clarion Hotel on Rt37 in Toms River has a large parking lot where you can either offload and drive to the show if you stay there, or just need a place to stay overnight.
